

Carlyon Parish Neighbourhood Plan

The next public meeting of the Steering Group will be held on **Wednesday 11th April**

in the Tregrehan Methodist Centre starting at **6pm**

With the weather slowly improving we are starting to work on the Village Design Statement which is essentially a series of on-ground descriptions of the plan area. This culminates in a document which is a necessary part of the application. Three people have already done work on their part of the Parish but we are looking for more volunteers to draw up descriptions of their immediate area. If enough people come forward then it should only take a few hours for any one person. Please volunteer – your Steering Group needs you!

Following the terrific response to our second survey the results are now available on the Carlyon Parish website, www.carlyon-pc.gov.uk Once there go to the Neighbourhood plan pages via the tab on the left hand side of the home page. You will find links to both the first and second surveys there. That way you can find out what your neighbours think should be done to the area and what matters to everyone.

As usual you are all welcome to our next meeting as we continue to develop the Plan which will have an important effect on shaping the future appearance of our neighbourhood.

If you can't make the meeting you can direct any questions about the plan to carlyonplan@btinternet.com
