

Carlyon Parish Neighbourhood Plan

The next public meeting of the Steering Group will be held on **Wednesday 9th May**

in the Tregrehan Methodist Centre starting at **6pm**

Work continues on the Village Design Statement - essentially a series of on-ground descriptions of the plan area. This culminates in a document which is a necessary part of the application. We are still looking for more volunteers to draw up descriptions of their immediate area. It should only take a few hours for any one person. Please volunteer – we really need your help.

The next stage we will be looking at is the development of policies which will be central to our final document and will shape the future of our neighbourhood. These policies are driven by the responses to our two surveys, the results of which are available on the Carlyon Parish website, www.carlyon-pc.gov.uk Once there go to the Neighbourhood Plan pages via the tab on the left hand side of the home page. You will find links to both the first and second surveys there.

As usual you are all welcome to our next meeting as we continue to develop the Plan which will have an important effect on shaping the future appearance of our neighbourhood. We appreciate hearing as many views as possible at our monthly meetings and they are also an opportunity to ask the Steering Group any questions you may have.

If you can't make the meeting you can direct any questions about the plan to carlyonplan@btinternet.com
