

Carlyon Parish Neighbourhood Plan

The next meeting of the Steering Group will be held on Wednesday 10th October 2018 from 6pm in the Tregrehan Methodist Centre.

We look forward to seeing as many of you as possible at this next meeting. We do need your input and all are very welcome.

We should be able to bring you more policies for the area which will cover our views on green spaces, tourism, transport and our environment. These – after debate and scrutiny by some very helpful people at Cornwall Council – will form more bricks in the wall to protect the place we all live in. When they are ready you will be able to see them on the Carlyon Parish website. Later in the process they will be part of the Neighbourhood Plan which will be subject to a local referendum which, if approved, will be referred to in future planning decisions.

We will also have some very positive news about how your input has proved of immense value in a recent planning decision.

If you want to become involved and/or feel you have a skill which would be useful then do get in touch by seeing your local representative or emailing us at carlyonplan@btinternet.com

You can also see all our latest news and information on our Facebook page <https://www.facebook.com/carlyonparish> or on the Carlyon Parish website www.carlyon-pc.gov.uk as well as on the Parish noticeboards.

October 2018

Remember – this is our neighbourhood and our environment. Help us to protect it.
