

# **CARLYON PARISH NEIGHBOURHOOD PLAN INITIAL QUESTIONNAIRE**

The Parish Council is developing a Neighbourhood Development Plan (NDP) for Carlyon Parish in order to ensure that the community can shape the future development of our area. The map shows the area in question with the Carlyon Bay ward to the south of the railway line and the tregehan ward to the north.

This is a real opportunity to have an active say in the future of our area and we would like to know what you think. Please take the time to fill in this quick survey. There will be a prize draw for everyone who takes part and returns the survey in the enclosed pre-paid envelope by July 28th.

The details are at the end of this survey and the prize draw will take place before the Parish Council meeting to be held on September 19<sup>th</sup>.

## **What is a Neighbourhood Development Plan?**

These can set out local level planning policies for the designated area, shaping future development. Under the localism act, Parish and Town Councils can write an NDP for their area with their community.

Subject to conforming to national policies, the Cornwall Local Plan strategic policies, an independent examination and gaining support through a referendum of residents, this plan will be adopted as a formal planning policy by Cornwall Council. This means that planning decisions in our parish will have to be made in accordance with the NDP.

So to the survey.....

**Please tell us:**

**1. What you love about living in Carlyon Parish?**
