

CARLYON PARISH NEIGHBOURHOOD PLAN

SECOND QUESTIONNAIRE

The Neighbourhood Development Plan covers the area shown on the map with the Carlyon Bay ward to the south of the railway line and the Tregrehan ward to the north.

This survey is the second to be conducted and explores further the main themes identified by the respondents to our initial questionnaire.

Please take the time to fill in this survey as we do need to know your views, views which will play a major part in shaping our surroundings for decades to come.

There will be a prize draw for everyone who takes part and returns the survey in the enclosed pre-paid envelope by January 12th 2018. The details are at the end of this survey and the prize draw will take place before the Parish Council meeting to be held on January 16th 2018 at Charlestown School.

So to the survey.....and your chance to win!!
