

RESIDENTS OF TREGREHAN AND CARLYON BAY

WE NEED YOUR HELP

This is the second bulletin about your neighbourhood plan and follows the third public meeting held on February 15th. The process of devising the plan is now under way as various items of expenditure are being identified in order that the Steering Committee can apply for the grants which are available for plan development. We need to examine the whole Parish to allow the plan to show the best areas for development and what type of development it should be.

Obviously this is going to take a great deal of effort so the steering committee is looking for help in many areas. One thing which most people could help with is the distribution of literature about the plan. Ideally we would like someone (or ones) from every road in the Parish to volunteer to deliver to their immediate area. If you feel you can help – and it should involve delivery just to your street – then do let us know. If you want to become more involved and/or you feel you have a skill which would be useful then do please get in touch. You can contact us by email on carlyonplan@btinternet.com You can also see our latest news on the Carlyon Parish website www.carlyon-pc.gov.uk or on the Parish noticeboards as well as via our Facebook page <https://www.facebook.com/carlyonparish>

The neighbourhood plan will have a major impact on the shape and character of our area for many years to come so it is essential that as many residents and businesses are involved as possible. We are preparing a survey which will go to every house and business in the Parish. We are also working on the promotion of the plan through exhibitions, in the local schools where many of our children attend, through public events and by the involvement of our local businesses. If you feel you can help in that sphere then do come forward. As we say at the top – we do need you!

We were pleased by the response and attendance at our last meeting and hope even more can attend the next one: the details are below. Looking forward to seeing you there.

The Steering Committee.

The next public meeting to discuss the Neighbourhood plan will be held in the chapel at Tregrehan from 6pm on Wednesday 15th March. We urge as many as possible to attend as we need to hear your ideas and input.
