

Chairman's Report

Good progress has been made with the Neighbourhood Plan; Sea Road North has now been adopted and major resurfacing work has taken place in that area and on Beach Road. Parking for the beach was a problem last year and the council is hopeful that the proposed yellow lining in Fairway and Wheal Regent may help residents. The council continues to press for work to improve the entrance to Tregrehan Playing fields; safety improvements have been made to the slide and it is hoped that the swings will be painted soon. The issue of dogs in the field remains as contentious as it has been for the past 10 years. I would like to thank those residents who have undertaken monthly inspections of Sea Road recreation field. I am delighted to report that the council has successfully had Tregrehan Methodist Church placed back on Cornwall Council's List of Assets of Community Value but is still awaiting a decision about Carlyon beaches and Sea Road recreation field.

There is a desperate need for new councilors to come forward, and I have asked the Clerk to advertise vacancies in the local press.

16 April 2019
Cllr Alan Moore, Vice Chairman
