

Carlyon Parish Neighbourhood Planning Business Questionnaire

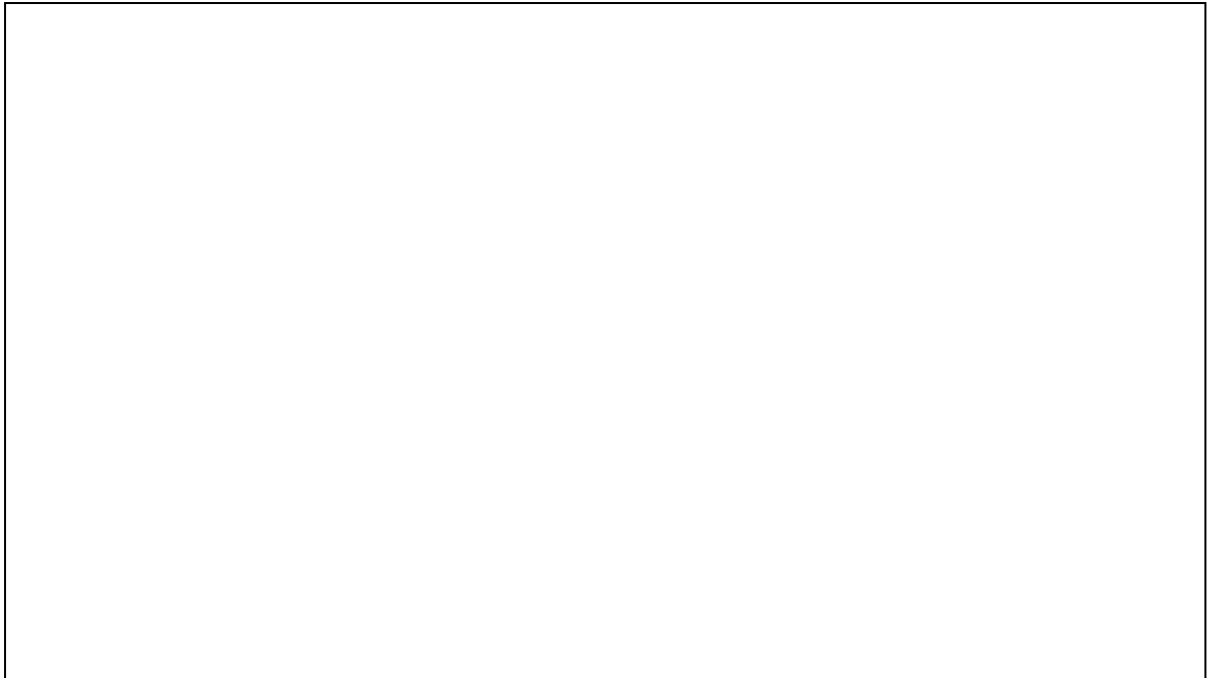

We are at the beginning of the process of developing a Neighbourhood plan. A questionnaire is being prepared for delivery to every household in the Carlyon Parish, in other words to all who live in Carlyon Bay and Tregrehan. We will obviously be asking what people want to see for their area in terms of new building, new business areas, and the use of the land across the Parish.

It's important that we also hear the views of the business owners and operators so below are a few questions we would like to hear your answers to.

1. Do you plan to run your business at the same level as now YES/NO
or do you foresee expansion in the next three years? YES/NO
2. If you hope to expand would that involve staying in the same place or moving and if a move was involved would you stay within the Parish?

3. What attracted you to this site in the first place?

4. What improvements/developments would you like to see in the locality?

5. Would you have the time to join our steering group as a business representative? If so please leave your details below so that we can contact you shortly.
