Dear Sir,

Re Loan Sanction – Carlyon Parish Council

Please find enclosed a loan sanction application from Carlyon Parish Council. I confirm I have evidenced and completed the NALC checklist and have no further comments to make. I would be grateful if you could give this application urgent attention as the Council has an agreement in principle to purchase the building but completion is required before December 31st, 2024.

Many thanks.

Yours sincerely,

Sarah Mason
